

The Earth, Our Home

Summer 2024

Year 1

Science

How are animals suited to their habitats?

How can you classify different groups of animals?

How many different types of trees are there?

How are the habitats in your local area different to ones in another part of the world?

What are the important features of different habitats?

In what ways do plants and animals depend on each other?

How do food chains work?

Geography

How can you find places you know on a digital map?

What are the features of the different seasons?

What have you learnt about habitats?

What micro-habitats are there on our schools' grounds?

What is the difference between a biome and a micro-habitat?

Design Technology

What are the key features of a design for a bee house?

Art

How did Henri Rousseau use different artistic techniques?

Which artistic style have you recreated in your own work using paint?

Which materials have you used to create your camouflage collage and why?
