

Independent Learning Project Summer 2

Nursery Under the Sea

During the school holidays you may want to do some additional learning in preparation for your new unit 'Under the Sea/Pirates'. Below are some ideas but you can also let your imagination go wild! We would love to see what you do, maybe a poster, photos, a presentation, a model.... We hope you have lots of fun getting ready for your next bit of Learning!

Project Ideas

- Make a sea creature
- Find out about a creature that lives under the sea
- What might you hear and see under the sea?
- Read a book set under the sea
- Make sea creature shaped food
- Can you cut out sea creature shapes?

What ideas do you have?

Please bring your projects in to school the first week back!
