

Independent Learning Project Summer 2

Year 2

People of the Past

During the school holidays you may want to do some additional learning in preparation for your new unit **'People of the Past'**. Below are some ideas but you can also let your imagination go wild! We would love to see what you do, maybe a poster, photos, a presentation, a model.... We hope you have lots of fun getting ready for your next bit of Learning!

People of the Past Summary

In People of the Past, we will be learning about a variety of significant people who left a lasting impact on humanity through their hard work, resilience and creativity. As historians, we will investigate the lives of several influential figures to find out about the personal qualities that enabled them to shape the world as we know it. As musicians and artists, we will be producing pieces inspired by the lives and works of famous composers and painters, thereby exploring the elements that made their creations so ground-breaking. Throughout the unit, learners should be encouraged to reflect: How are our lives different thanks to the work of these significant people?
