

Independent Learning Project Spring 1

Reception Space

During the school holidays you may want to do some additional learning in preparation for your new unit 'Space'. Below are some ideas but you can also let your imagination go wild! We would love to see what you do, maybe a poster, photos, a presentation, a model.... We hope you have lots of fun getting ready for your next bit of Learning!

Project Ideas

- Create a poster about space
- Make a model of a planet
- Design and make a space rocket
- What would you wear if you went to space?
- What would you take with you to space?
- Read a Space themed book
- Design your own alien
- How many planets can you name?
- Paint a space picture
- Find out about constellations
- Visit the Planetarium
- What do astronauts eat in space?

What ideas do you have?

Please bring your projects in to school the first week back!
