

Independent Learning Project Spring 1

Year 1

Time Travellers

During the school holidays you may want to do some additional learning in preparation for your new unit 'Time Travellers'. Below are some ideas but you can also let your imagination go wild! We would love to see what you do, maybe a poster, photos, a presentation, a model.... We hope you have lots of fun getting ready for your next bit of Learning!

Time Travellers Summary

We will be learning about how people find out about the past, the clues we can uncover and how evidence tells us what happened in the past. We will be historians finding out about how past is recorded and represent. We will explore our own past and how we can find out more. Have much can you remember from your past? What can you find out?

Project Ideas

- What does a Historian do?
- Can you tell us about an important event from your past?
- Share your family tree
- Can you place events in chronological order?
- What is an artefact?
- How has your home changed over time?
- What have been significant inventions from the past?
- How are our school lunches different now to the past?
- Draw a timeline of your life?
- Visit a Museum
- Interview a member of your family about their childhood

What ideas do you have?

Please bring your projects in to school the first week back!
