

	Nursery	Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
<b>Autumn 1</b>	I can recite the number names to 5.	I can name numbers in order to 10. I can compare groups of objects and say which has 'more' or 'fewer'.	I can read and write number 1-10 in numerals and words	I know the number bonds to 20	I know the multiplication and division facts for the 4 times table	I know number bonds to 100	I can find factor pairs of a number I can multiply and divide integers by 10, 100 and 1000	I can identify common factors of a pair of numbers I can find prime numbers to 100
<b>Autumn 2</b>		I can subitise (recognise quantities without counting them) up to 5.	I know number bonds for each number to 10	I know the multiplication and division facts for the 2 times table	I know the multiplication and division facts for the 8 times table	I can round numbers to the nearest 10, 100 or 1000	I can identify prime numbers to 50 I can recall square numbers up to 12 <sup>2</sup> I can convert between improper fractions and mixed numbers	I can derive multiplication and division facts using decimal numbers (e.g. $8 \times 0.7 = 5.6$ ) I can multiply and divide decimals by 10, 100 and 1000
<b>Spring 1</b>	I understand the cardinal principle (the last number reached when counting tells you how many there are) I can identify more or less I can recite the numbers to 5 in order	I can say 1 more or 1 less than a given number up to 10	I can read and write numbers to 20 I know the doubles of numbers to 10	I know the multiplication and division facts for the 10 times table	I know the multiplication and division facts for the 3 times table	I know the multiplication and division facts for the 7 times table	I can recognise equivalent fractions I can find a fraction of an amount	I know common fraction, decimal and percentage equivalences
<b>Spring 2</b>		I can find pairs of numbers that make 10 I can name the days of the week	I can read and write numbers to 50 I can add and subtract using number bonds	I know the multiplication and division facts for the 5 times table	I know the multiplication and division facts for the 6 times table	I know the multiplication and division facts for the 9 times table	I can recognise equivalent fractions and decimals I can round decimals to the nearest whole number and tenth	I can convert between decimals, fractions and percentages.
<b>Summer 1</b>	I can recognise numerals and create groups of the correct amount I can name some 2D shapes	I can represent amounts as numerals I can count forwards and backwards up to 10	I can read and write numbers to 100 I can count forwards and backwards in 2s, 5s and 10s to 50	I know the multiplication and division facts for the 0 times table	I know the multiplication and division facts for the 12 times table	I can revise and know the multiplication and division facts up to $12 \times 12$	I can count forwards or backwards in steps of powers of 10 for any given number up to 1,000,000	I can find a percentage of an amount
<b>Summer 2</b>		I can find doubles up to 10 I can share an amount into groups I can explore odd and even numbers	I can tell the time to the hour I can tell the time to the half hour	I can tell the time to the nearest 5 minutes	I can tell the time to the nearest minute	I can multiply and divide 1 and 2 digit numbers by 10 and 100	I can convert between metric unit of measure I understand and can order negative numbers	I know the formulae for finding the area of different shapes
