What is KidsArtRoom™ ?

At KidsArtRoom™ we provide art lessons for children of all ages and abilities. We are passionate about Art and for that reason we work with all Key Stages, up to University Application for Art, Architecture, Interior Design, Illustration and much more. As we are an ArtsAward Centre, we are also able to offer the full range of the nationally Ofqual recognised qualifications, all part of students' academic school record.

KidsArtRoom™ brings you the possibility to develop Artistic skills, and additionally, start an ArtsAward award at Woodcote Primary School. Our objective is to arm students with a wide range of artistic techniques so they can express their ideas with freedom and total confidence. We believe that Creativity is the most powerful tool to achieve this. After just a few lessons students become more confident and visually articulate with their storytelling.
