What is KidsArtRoom™ ?

At KidsArtRoom™ we provide art lessons for children of all ages and abilities. We are passionate about Art and for that reason we work with all Key Stages, up to University Application for Art, Architecture, Interior Design, Illustration and much more. As we are an ArtsAward Centre, we are also able to offer the full range of the nationally Ofqual recognised qualifications, all part of students' academic school record.

KidsArtRoom™ brings you the possibility to develop Artistic skills, and additionally, start an ArtsAward stage at Woodcote Primary School. Our objective is to arm students with a wide range of artistic techniques so they can express their ideas with freedom and total confidence. We believe that Creativity is the most powerful tool to achieve this. After just a few lessons students become more confident and visually articulate with their storytelling.

What parents say about KidsArtRoom™ ..

"My six year old son didn't feel confident enough to write in class which affected his academic performance. Since he started his art lessons at KidsArtRoom™ he has improved his handwriting, achieving much higher grades in school.

Thank you very much for all you have done Olga (KidsArtRoom™)! " (Mrs.G. - Purley)

Our Art Lessons are cost-effective because:

At KidsArtRoom™ we believe that charging termly for our art lessons makes things easier for you and helps keep prices down. We ask parents to pay at the beginning of each term by bank transfer. All lessons are payable. We must make this a Golden Rule. Thank you for your understanding
