

Independent Learning Project Summer 1

Year 1

A Day in the Life

During the school holidays you may want to do some additional learning in preparation for your new unit 'A Day in the Life. Below are some ideas but you can also let your imagination go wild! We would love to see what you do, maybe a poster, photos, a presentation, a model.... We hope you have lots of fun getting ready for your next bit of Learning!

A Day in the Life Summary

We will be learning about many exciting jobs from different places and time periods in order to create our own imaginary community. We will need to be historians, geographers, musicians, designers and citizens of the world! What job would you like to do when you grow up?

Project Ideas

- What job/role would you like to find out more about?
- What jobs/roles do the adults around you have? What can you tell us about these?
- What jobs/roles do you think might exist in the future?
- What would you wear to work? Why?
- If you were to create a show about our school what would you include? How would you represent our school?
- If you could work at Woodcote Primary, what job would you do and why do you think you would be good at it?
- What skills or qualities do you need to be a good teacher? Can you design a Job Advert?

What ideas do you have?

Please bring your projects in to school the first week back!
