

Independent Learning Project Summer 1

Year 5

The Holiday Show

During the school holidays you may want to do some additional learning in preparation for your new unit **'The Holiday Show'**. Below are some ideas but you can also let your imagination go wild! We would love to see what you do, maybe a poster, photos, a presentation, a model.... We hope you have lots of fun getting ready for your next bit of Learning!

The Holiday Show Summary

We will be learning about our responsibilities as tourists, and the impact that our choice of holiday and travel destination can have on the human and physical environment. We will need to be geographers to compare and contrast countries as tourist destinations. What are the positive and negative impacts of tourism on different places in the world?

Project Ideas

- What is the definition of a 'Tourist'?
- When have you been a tourist?
- Can you tell us about any famous Tourist Attractions? In this country? In another country?
- Visit a local tourist attraction and tell us all about it.
- Have you tried any different food when you have been a tourist?
- Can you design a guide to your local area? Or Woodcote Primary?
- Plan a tourist day in London – where would you go? How would you get there? What would the timings for the day be? Cost?
- If you could go anywhere in the world, where would you go? Why? What would you see?
- What is an essential for taking on a trip? Why? Can you design one?

What ideas do you have?

Please bring your projects in to school the first week back!
